The second show of the year was held at Vero Beach on July 9th. Mrs. Edward J. Hanly, general show chairman, did a bang up good job.

The staging was of a Fourth of July, theme with giant firecrackers of red hibiscus and a very good display at the entrance. A large flag was the center attraction, made of hibiscus.

There were so many bloom entered into competition that there was just not enough space to stage all of them.

Top honors were taken by Mrs. E. J. Hanly of Vero Beach with a "Peach Blow" in the Amateur class and by Trail Nursery of Ft. Myers, with a "Nagao #20" in the Commercial class.

The best amateur single was a "Miss Sally" grown by Col. William Squires of Daytona Beach. The best commercial double was a "Con-Fu-Tsi" grown by Monroe's Hibiscus Nursery of Eagle Lake. Barlings Nursery of Orlando took the best seedling.

Sweepstakes awards went to Mr. Bob Bowman of Daytona Beach in the Amateur class and to Carver and Martin Nursery of Mt. Dora in the commercial class.

Those who failed to visit this show missed a very beautiful show.
